What is a Commuter Meal Plan?

Commuter Meal Plans are designed for students who live off campus, but want the convenience of having a meal plan similar to those students who live on campus.

The University Dining Hall offers three (3) meal plans that range from 10 to 50 meals per semester.

| Plan | Number of Meals | Total Price |
|------|-----------------|-------------|
| A | 10 | \$95.73 |
| B | 30 | \$285.59 |
| C | 50 | \$473.38 |

Each meal plan allows you a set number of meals. Every time you have your card swiped, a meal is deducted from the balance until all meals have been used or at the end of each semester.

The plan can be purchased and added to at any time during the semester. All meals must be used by the end of the semester as they do not carry over to the next semester. Any unused meals are non-refundable.
