# What is a **Commuter Meal Program?**

Commuter Meal Plans are designed for students who live off campus, but want the convenience of having a plan similar to those students who live on campus.

We offer 3 different meal plan options that range from 10 to 50 meals per semester.

## 2026 - 2027 Plans

| Plan | # of Meals | Total Price |
|------|------------|-------------|
| A    | 10         | \$111.99    |
| B    | 30         | \$334.22    |
| C    | 50         | \$554.18    |

### Note

Meals are purchased on an academic year basis and do not rollover to the next semester.

# How Does the **Plan Work?**

Each meal plan allows you a set number of meals. Every time you have your card swiped, a meal is deducted from the balance until all meals have been used or at the end of each semester.

The plan can be purchased and added to at any time during the semester. All meals must be used by the end of the academic year, as they do not carry over to the next year.

**Any unused meals are non-refundable.**

# Upgrading Your Plan

You can upgrade your plan by adding cash to your card, which can be used at all other retail dining operations including:

- Panda Express
- Juice it Up!
- Paws-N-Go
- Starbucks
- The Habit
- Dunkin
- Subway
- Taco Bell
- The Bucket
- Union Snack Bar
- Toss - N - Chop
