California State University, Fresno Auxiliary Services is proud to be part of the Fresno State community. As part of the campus community, Auxiliary Services follows the CSU policy that requires all faculty, staff and students who are accessing campus facilities at any university location to be immunized (fully vaccinated) against the virus that causes COVID-19. The policy does allow for medical or religious exemption from the immunization requirement. Auxiliary Services requires all of its employees to be fully vaccinated against COVID-19 or present a medical or religious exemption and any appropriate backup documentation. Fully vaccinated is defined as having received the dose at least 14 days prior to being on boarded, if selected. Current and new employees are required to adhere to this policy by September 30, 2021 and remain in adherence after that date.
