#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of California State University, Fresno Association, Inc. Fresno, California

We have audited the accompanying financial statements of California State University, Fresno Association, Inc. (the Association), a nonprofit organization, which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### CALIFORNIA STATE UNIVERSITY, FRESNO ASSOCIATION, INC. NOTES TO THE FINANCIAL STATEMENTS June 30, 2014 and 2015

#### Note 1 - General Information

The California State University, Fresno Association, Inc. administers and manages the commercial activities for California State University, Fresno including the Save Mart Center, Kennel Bookstore, University Food Services, Housing, Recreation Center and the University Student Union. The Association also provides accounting and managerial services to other university auxiliary corporations. The Association is supported primarily by sales from commercial activities and contributions.

#### Note 2 - Summary of Significant Accounting Policies

The California State University, Fresno Association, Inc. (the "Association") was incorporated on June 12, 1961 as a non-profit corporation. The Association was formed and is operated exclusively to receive, hold, invest and administer property and to make expenditures to and for the benefit of California State University, Fresno (the "University").

The Association maintains its accounting records and prepares its financial statements on the accrual basis of accounting. Therefore, revenues are recognized when earned and expenses are recognized when goods or services are received.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Fund Accounting

The accounts of the Association are maintained in accordance with the principles of fund accounting. Under fund accounting, resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Fund balances are classified on the Statements of Financial Position as unrestricted or temporarily restricted based on the absence or existence and type of donor-imposed restrictions.

#### **Donor Imposed Restrictions**

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a restriction expires, temporarily restricted net assets are considered released from restrictions, however the expenses are reflected in the restricted fund column due to fund accounting.

#### Pledges Receivable-Save Mart Center

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Management is of the opinion there is no need to have an allowance for uncollectible pledges given demand for suites and seats. In most cases, refunds for previously purchased seat licenses are not given unless there is an alternative buyer for those seats. Currently, there is an extensive waiting list for suites and all suiteholders are required to pay their suite lease in advance. If necessary, tickets and other entitlements are withheld if payment is due.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, the Association considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### Note 2 - Summary of Significant Accounting Policies, continued

#### Deferred Revenue

Income from the University and housing rent, board and summer conferences are deferred and recognized over the periods to which the University and housing activities relate.

#### Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended June 30, 2014, from which the summarized information was derived.

#### Net Assets

Unrestricted Net Assets: This category is maintained to account for the revenues and expenses of ongoing revenue-producing activities.

Temporarily Restricted Net Assets: This category is maintained to account for the operation of the Save Mart Center.

#### Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Allowances for doubtful accounts in the amounts of \$77,474 and \$76,375 have been established as of June 30, 2014 and 2015, respectively.

#### <u>Inventories</u>

The Association's inventory consists of goods held for resale in the Kennel Bookstore and by Food Services. Kennel Bookstore inventory is based on cost of goods sold historical data. Food Service inventory is valued at the lower of cost or market determined by the first-in, first-out (FIFO) method.

#### Investments

Investments in securities are carried at market value and realized and unrealized gains or losses are included in "Other Income" in the Statement of Activities.

#### **Deferred Charges**

Intangible assets consist of costs for financing of the Student Housing Project in 2011 and financing for the Save Mart Center in 2005 for the Capital Lease Payable. These assets are amortized over the life of the bonds using both the effective interest and straight-line methods.

#### Franchise Fees

In connection with the food services provided on campus, the Association has paid franchise fees to Subway and Starbucks for the privilege of operating the quick service restaurants. The franchise fees are reported, net of amortization expense, in the fixed asset section of the Statements of Financial Position. These fees are amortized over the franchise period using the straight-line method.

#### <u>Fixed Assets</u>

Fixed Assets are reflected on the financial statements at cost less accumulated depreciation. Depreciation is computed using straight line rates based upon estimated useful lives, ranging from three to 55 years. The Association capitalizes all expenditures in excess of \$5,000.

#### Fair Value of Financial Instruments

GAAP requires disclosure of an estimate of fair value of certain financial instruments. The Association's significant financial instruments are cash, accounts receivable, investments, and other short-term assets and liabilities. For these financial instruments, carrying values approximate fair value.

#### Defined Benefit Pension Plan

As described in Note 9, the Association participates in a multi-employer public employee retirement system. The system provides disclosure information in accordance with the Governmental Accounting Standards Board (GASB). The latest information available from CalPERS is actuarial valuation as of June 30, 2013.

#### Tax Status

The Association is organized and operated exclusively for educational purposes and is thus allowed tax exempt status under provisions of section 501(c)(3) of the Internal Revenue Code and section 23701(d) of the California Revenue and Taxation Code. The Association does, however, pay income taxes on any unrelated business income.

#### **Advertising Costs**

Advertising costs are expensed as incurred and totaled \$83,120 and \$82,894 in 2014 and 2015, respectively.

#### **Expense Allocation**

The costs of providing various programs and other activities have been summarized on a functional basis in Note 15 – Expenses by Natural Classification. Accordingly, certain costs have been allocated among programs and supporting services.

#### Note 3 - Cash and Cash Equivalents

| Cash at June 30 consisted of the following: | <u>2014</u>  | 2015         |

|   |              |              |

The Association maintains some cash in the State of California Local Agency Investment Fund (LAIF). The state pools these funds with those of other organizations and invests the cash. These pooled funds are carried at cost which approximates market value. Interest earned is remitted quarterly to the Association. Any investment losses are proportionately shared by all participants in the pool. The LAIF is part of the Pooled Money Investment Account (PMIA). The PMIA began in 1955 and oversight is provided by the Pooled Money Investment Board (PMIB) and an in-house Investment Committee. The PMIB members are the State Treasurer, Director of Finance, and State Controller.

Additionally, the PMIA has Policies, Goals and Objectives for the portfolio to make certain that the goals of Safety, Liquidity and Yield are not jeopardized and that prudent management prevails. These policies are formulated by investment staff and reviewed by both the PMIB and the LAIF on an annual basis. All investment and LAIF claims are audited on a daily basis by the State Controller's Office as well as an inhouse audit process involving three separate divisions.

Under Federal Law, the State of California cannot declare bankruptcy, thereby allowing the Government Code Section 16429.3 to stand. This Section states that "moneys placed with the Treasurer for deposit in the LAIF by cities, counties, special districts, nonprofit corporations, or qualified quasi-governmental agencies shall not be subject to either of the following: (a) transfer or loan pursuant to Sections 16310, 16312, or 16313, or (b) impoundment or seizure by any state official or state agency."

The Association maintains cash balances at one financial institution located in Fresno, California. At June 30, 2015, the FDIC insures cash balances held in interest and noninterest bearing accounts combined up to \$250,000. At June 30, 2014 and 2015, the Association's uninsured cash balances totaled \$11,053,298 and \$9,385,635 respectively.

#### Note 8 - Fair Value Measurements

Generally accepted accounting principles define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest propriety to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant observable input (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

**Level 1** – Inputs are quoted market prices (unadjusted) in active markets for identical assets or liabilities. Valuations for assets and liabilities traded in active exchange markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Inputs other than quoted prices within Level 1 that are observable, either directly or indirectly. Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

**Level 3** – Inputs are unobservable. Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounts cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

The table below presents the balance of assets measured at fair value on a recurring basis at June 30:

#### Note 9 - California Public Employees' Retirement System

#### Plan Description:

The California State University, Fresno Association, Inc. (Federal Tax ID# 94-1512286), is a participating employer in two separate mutiemployer defined benefit pension plans. The plans generally provide retirement to employees based on years of service to the Association, and also provide disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. The Miscellaneous Plan of the California State University- Fresno Association, Inc. and PEPRA Miscellaneous Plan of the California State University-Fresno Association, Inc. (CalPERS ID: 3956399313) are part of the Public Agency portion of the California Public Employees Retirement System (CalPERS), a cost-sharing multiple-employer plan administered by CalPERS, which acts as a common investment and administrative agent for participating public employers within the State of California. A menu of benefit provisions as well as other requirements are established by State statutes within the Public Employees' Retirement Law. The California State University, Fresno Association, Inc. selects optional benefit provisions from the benefit menu by contract with CalPERS and adopts those benefits through local ordinance (other local methods). CalPERS issues a separate comprehensive annual financial report. Copies of the CalPERS' annual financial report may be obtained from the CalPERS Executive Office – 400 P Street, Sacramento, CA 95814 or by visiting the CalPERS website at www.calpers.ca.gov.

#### Funding Policy:

Under the Public Employees' Pension Reform Act of 2013, employees (who are brought into CalPERS membership for the first time on or after January 1, 2013) are required to contribute at least 50% of the annual required contributions under a new defined benefit formula of 2% Miscellaneous at age 62. The current employee and employer contribution rate is 6.25%. For employees hired prior to January 1 2013 under the defined benefit formula of 2% Miscellaneous at age 55, plan members are required to contribute 7.0% of their annual covered salary and the Association currently pays the employee portion of the required contribution (the 7%) for employees with 5 or more years of service with the Association. California State University, Fresno Association, Inc. is required to contribute the actuarially determined remaining amounts necessary to fund the benefits for its members. The actuarial methods and assumptions used are those adopted by the CalPERS Board of Administration. The required employer contribution rate for fiscal 2014/2015 was 13.002%. The contribution requirements of the plan members are established by State statute and the employer contribution rate is established and may be amended by CalPERS.

Employers participating in multiemployer defined benefit pension plans are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) if a participating employer stops contributing to the plan, the unfunded obligations of the plan may be required to be borne by the remaining participating employers, and (c) if the Association chooses to stop participating in one of its multiemployer plans, it may be required to pay a withdrawal liability to the plan.

#### Annual Pension Cost:

For fiscal year 2014/2015, California State University, Fresno Association, Inc.'s annual pension cost of \$491,750 was equal to the Association's required and actual contributions. The total pension cost for both employee and employer contributions was \$764,068. The required contribution for fiscal year 2014/2015 was determined as part of the June 30, 2012 actuarial valuation using the entry age normal actuarial cost method with the contributions determined as a percent of pay. The actuarial assumptions included (a) 7.50% investment rate of return (net of administrative expenses); (b) projected salary increases that vary by duration of service ranging from 3.30% to 14.20% for miscellaneous members and (c) 3.0% cost-of-living adjustment. Both (a) and (b) include an inflation component of 2.75%. The actuarial value of California State University, Fresno Association, Inc.'s assets was determined using a technique that smoothes the effect of short-term volatility in the market value of investments over a two to five year period depending on the size of investment gains and/or losses. Miscellaneous Plan of the California State University, Fresno Association, Inc.'s unfunded actuarial excess assets are being amortized as a level percentage of projected payroll on a closed basis. The amortization period at June 30, 2012 was 30 years. Based upon the most recent valuation published for the period ending June 30, 2013, the Association did not contribute more than 5% of total contributions to the plan.

The agreement provides for an initial annual fixed fee of \$516,875 inclusive of food and beverage services. Annual incentive fees are subject to negotiation after fiscal year 2013. The fixed fee is adjusted every three years for CPI increases.

#### Litigation

The Association is the plaintiff in one legal action.

California State University, Fresno Association, Inc. v. County of Fresno, et al.; Fresno County Superior Court Case #12-CE-CG-03791: The Association has an unliquidated claim against the County of Fresno for a refund of excess possessory interest (property) taxes and penalties paid to the County for tax years 2003-2006, inclusive, relative to the Save Mart Center. Though the Association paid all amounts determined by the Fresno County Assessment Appeals Board ("AAB") to be due for years 2003-2006, the Association maintains that the AAB's determination of possessory interest taxes and penalties for the years 2003-2006 was excessive and not in conformity with applicable law. As a result, on November 30, 2012 the Association filed a complaint with the Fresno County Superior Court seeking a refund of \$3,141,456 in combined possessory interest taxes and penalties previously paid by the Association. The case was heard by the Fresno County Superior Court in October, 2014. In May, 2015, the Superior Court held in favor of the Association and ordered that the matter be remanded back to the AAB for a redetermination of the proper amount to impose on the Association in possessory interest taxes and any applicable penalties. The matter has not yet been reconsidered by the AAB.

#### Note 16 - Subsequent Events

Subsequent events have been evaluated through September 10, 2015, which is the date the financial statements were available to be issued, noting no matters requiring disclosure in the financial statements for the year ended June 30, 2015.

#### Note 17 - Uncertain Tax Positions

The Association has qualified as a non-profit organization and has been granted tax-exempt status pursuant to the Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701(d) and is exempt from Federal and State of California income taxes.

Generally accepted accounting principles provide accounting and disclosures guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Association's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.
